

Welcome to all attending Committee members and Members. We have had a very different year for the past 8 months with the limitations due to Covid. We have still had walks with reduced numbers as Richard says in his report and currently in our 2nd lock down no led walks but I am sure all of us will continue our regular walks alone or with one other person as allowed.

I thank all members of the committee and leaders for their continuing contributions to RTG. I am stepping down as Chair after 10 years as although I am sorry to leave I think it is time for someone else to take over. I also thank all of you for your personal support to me both as Chair and as a leader. I hope to continue my contribution to RTG leading walks when I feel it is safer for me to do so and I would be willing to continue as a Committee member if the other Committee members would support me. If Covid goes I could host the meetings at my house as before!
