Manchester and District 20s & 30s Walking Group

MAD Walkers

Our walks programme of at least two walks per week takes advantage of the excellent walking country surrounding Greater Manchester and other much loved areas for walking e.g. Lakes, Peak District. Many of our walks each month use the rail network, making the final pub stop much more enjoyable!

For non-public transport walks, we try to car-share. We also have a busy social side to the group with trips to theatre, weekends away and exploring Manchester's extensive places to eat and drink! So if you want to meet like minded people and keep fit in beautiful surroundings, check out our website for the latest walks and socials!

MANCHESTER WEEKEND WALKERS

The Manchester Weekend Walkers is a Ramblers' walking group set up at the beginning of 2013. We wanted to fill the gap between the very successful walking groups aimed at those in their 20s and 30s and the local Groups where many people are free to walk during the working week. Therefore although we would welcome anyone of any age to join us on a walk, we aim principally to suit people in the 40 – 50 age range who are in the middle of their working lives.

As our name suggests, the aim of MWW is to organise activities for the weekend and we usually arrange several walks every month as well as regular reasonably-priced weekends away, staying in hostels and bunk houses so we can visit the Peaks, Lakes, North Wales and further afield. We also arrange short evening walks from late Spring to early Autumn and meet mid-week for drinks and social activities all year round!

For all the latest information and details of all walks, socials and weekend away please visit our website at www.mwwalkers.org.uk where there is also a link to our Facebook page. If you have any questions then please feel free to contact us on info@mwwalkers.org.uk

MANCHESTER & SALFORD GROUP

The Manchester and Salford Group organised walks are on the second Tuesday and last Saturday of every month approx 5 – 6 miles. Short walks of 3 – 4 miles on Mondays. In the summer we have longer walks and monthly evening walks.

We are a friendly group and offer a varied programme of urban walks and also take advantage of the excellent countryside in and around Greater Manchester, using public transport where possible, car share where not. We also have monthly socials taking in some local interest. The Salford Trail and the Manchester Green Trail are available with some great short and long walks. You can get further information for both trails on our website.

For more information and our current walks programme see our facebook page or visit: www.manchesterandsalfordramblers.org.uk

MANCHESTER COACH RAMBLES GROUP

At the time of printing, we propose to run one coach trip per month. Full details of our programme will appear on our website, www.manchestercoachrambles.org.uk

On each trip we normally have three led walks, ranging from 7 to 13 miles.

For tickets contact : Brenda Parkinson, 141 Claremont Road, Salford, M6 8NL.

Tel no. 0161 736 8710. b.parkinson141@tiscali.co.uk

Seats must be booked in advance from Brenda, not later than the Monday before the event.

Greater Manchester and High Peak Area

The Ramblers are at the heart of walking in Britain. If you walk, the Ramblers are for you. They work to make it easy for everyone to walk, whether in countryside, cities, hills, coasts and on or off the beaten track.

The Ramblers comprise a grass roots network of over 12,000 volunteers who work tirelessly for a walking Britain. For 75 years the Ramblers helped build and protect Britain's 150,000 mile long path network. They run over 28,000 walks a year, and campaign for better walking routes and more walking opportunities.
