

Social Media

Our Facebook page continues to grow in popularity with now, as of the 6th November a total of 591 Followers. Those are people who when we put a post on our page, this post pops up on theirs. Obviously, a vast majority of these followers are not members of the Ramblers Trafford Group.

If we can only get another 9409 follower's we could start to earn an income!

WhatsApp Groups

RTG Walks Information, currently has 68 members.

Trafford Ramblers Social, currently has 55 members.

Again this year there will be a WhatsApp group created for those showing interest or wishing to go on the Lake District walking holiday in May..

Merchandise

Up to the present time, this year we have sold 15 Polo Shirts. All profits from the sales of the shirts from this and previous years have gone towards the purchase of catering size thermal flasks. These flasks will be used for the Christmas Mince Pie walks. On previous Mince Pie walks we have had to borrow catering size flasks, so it will be a lot more beneficial to have our own.

The profits from future sales of Polo Shirts may well be put to the purchase of the disposable cups for this event and perhaps the contents of the flasks?
