

Membership Secretary's Report

At present there are 281 members assigned to Trafford Ramblers. Of these 7 are new members signed up since August 2022.

Information is now sent out as emails to those who have agreed to us contacting them this way. Postage has become so expensive that we are now reluctant to send anything out by post.

Feedback from the membership is poor in response to emails. I can only assume that they are receiving the information.

Lesley Morris
